KETTERING CAMPUS RENEWAL
COMMITTEE
CONGREGATION QUESTIONNAIRE**

The purpose of this questionnaire is to establish an understanding of the functional areas of our church building and our ability to continue serving the surrounding community. The answers you provide will help the Renewal Committee develop physical planning objectives for a possible future building renovation. Please answer each question as best you can and return the questionnaire at the locations provided. Please provide contact information at the end of your comments if you are willing to be contacted.

Additional comments are welcome and can be added in the space provided at the bottom of page two. Answer questions thoughtfully, as your input may have significant impact on the future availability of suitable space for worship, discipleship, mission or outreach experiences at Christ Church.

YOU MAY DOWNLOAD AND PRINT THIS FORM.
